

Five Essential Manifestation Secrets

YOUR PATH TO A PURPOSEFUL LIFE

Welcome to the **Five Essential Manifestation Secrets Course**, where we'll explore some powerful techniques and concepts that will supercharge your life in amazing ways!

This course is hosted by **Centerpointe CEO MaryEllen Tribby** and includes a total of seven videos:

- Welcome & Introduction
- Module #1: The Two Most Powerful Questions
- Module #2: Goals Vs Outcomes
- Module #3: The Energy Exchange Principle
- Module #4: The Gift of Failure
- Module #5: Never Master Anything
- Final Thoughts: (Plus Your Bonus Sixth Manifestation Secret!)

You can watch each video as your schedule allows. We suggest watching each video more than once to be sure you get the best possible benefits.

While important points will be emphasized on the screen, we also recommend taking notes. Writing things down will help you remember the points and grasp the ideas much better than listening and watching alone.
